Greetings to Our Partners in Caring;

The Pennsylvania Activity Professional Association (PAPA) is a non-profit organization that strives to provide information, educational programs and conferences to the general public and health care professionals for the purpose of improving physical activity, recreational and social opportunities, creative expression, and mental and spiritual activities of the elderly, infirmed and physically disabled individuals of the Commonwealth of Pennsylvania.

We have chosen to reach out to your organization, as you are represented in many regions of PA. We are currently preparing for our 2025 Conference and would like to give your organization an opportunity to sponsor our conference.
